*You can subscribe to internet or telephone service without subscribing to video service. All fees are shown without tax & government required charges. If you already have any ECC service, it will remain; however, you may renew ECC TV/video service to extend your contract to lock in these rates for up to two years. ECC contracts and rates will renew at end or at two years at the prevailing rate unless canceled at least 15 days before ending. Bundled Packs shown for 1st TV with DirecTV[®]. Bundled Packs require a one or two year contract. If no term is selected a two year contract will be entered, or existing contract extended for two years. If one or two year contracts are not selected with non-bundled services, terms will be monthly, and rates will increase with any increase in monthly fees. Early termination fees apply to one (\$50) and two (\$100) year contracts and special offers; see www.ECCable.com for more on termination, fees, VOIP, channels and HD. Selection of services on this card establishes service according to ECC and DirecTV[®] Terms of Service and the service agreement forms which are available on request and at www.ECCable.com. If ECC lowers its rates for a term and service you have, you will automatically get the lower rate on your next billing. *Ellicott City Cable Company is an independent entity and is not part of Waverly Woods Development Corporation.* 121711
